EVENT: INTERNATIONAL BIOMEDICAL CONGRESS OF SOFIA 17-19 NOVEMBER 2017

Dear colleagues,

The organizing committee of the 2nd annual IBCS-2017, would like send its kindest of invitations to you and your institution. Last year we embarked for the first time on this valuable journey and it was a stellar success. Over 240 medical students and researches joined in for our 3 day event. Thank you in advance for giving the proper attention to our invite and if curious do check out our special "ambassador scheme" for lowered group prices. In the attached file you will find our portfolio with the key features of the congress.

Summary:

- **Date:** from 17th to 19th of November 2017 in Sofia, Bulgaria – an emergent scientific and IT center of Eastern Europe.
- **Location:** brand new science and technology center name "Sofia Tech Park" – one of a kind infrastructure with capacity for 1000 people! More information at their website: www.sofiatech.bg/en
