

CALL FOR ABSTRACTS

International Scientific Conference

The "One Health" approach in a changing world

Nicolae Testemitanu State University of Medicine and Pharmacy, the National Agency for Public Health, the Association of Biosecurity and Biosafety of the Republic of Moldova, and the Society of Hygienists of the Republic of Moldova in cooperation with the World Health Organization in Moldova organize the International Scientific Conference *The "One Health" approach in a changing world*.

Conference aims

The Conference aims to bring together leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects of One Health. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns, as well as practical challenges, encountered, and solutions adopted in the fields of One Health.

Who should participate?

Students, residents, doctoral students, scientific researchers, teachers, and specialists in the practical field are invited to participate. Papers in medical and biological science are welcome to be submitted.

Requirements for abstract submission

All abstracts should be submitted electronically, in English, not less than 3200 and not more than 3500 characters with spaces. Figures, tables, drawings, references are not accepted. The abstract should follow this structure: Title, Author(s), Affiliation, Introduction, Material and Methods, Results, Conclusions, Key words. The title of the abstract will be written using the Cambria characters, size 12, bold, centred, interval 1. The name and surname of the author(s) will be written in Cambria characters, size 11, italic, bold, centred. The affiliation will be written in Cambria characters, size 10, centred, interval 1. The body of the abstract will be written in Cambria characters, size 11, justified, and interval 1.

Note: The authors are responsible for the veracity of the published materials. The abstracts will be evaluated by an international scientific committee.

Location

The conference will take place on November 4-5, 2021 in Chisinau, Republic of Moldova.
